

The only  
**CANNABIS  
PROCESSING  
SOLUTION**  
you'll ever need

As a dispensary, are you:

- Taking payments with a cashless ATM or voucher system?
- Paying \$2-\$3K or more just to have a bank account?
- Forced to take only cash?
- Paying over 4% just to process debit cards?
- Forced to hide what type of business you are?
- Afraid of being shut down by VS/MC?

We offer a fully legal, fully compliant debit card processing solution for the cannabis industry. Our unique programs allow your dispensary to process just like any other industry would process.

It's time your dispensary was treated like a real business. Don't you think?

 **WHAT IF YOUR DISPENSARY COULD:**

- Qualify for a fully legal and lawful processing solution and bank account.
- Be transparent about what your business is with the bank.
- Run as a legitimate operation (receipts and customer bank statements have the dispensary's name on them).
- Track sales and provide proof of income to get loans.
- Not have to worry about having your account shut down.
- Increase sales by 30% when you offer debit card acceptance without all the workarounds.
- Improve customer experience because you'll take payments just like other businesses.
- Greatly reduce processing fees by passing along a convenience fee to the customer.
