YOUR RESTAURANT OR BAR WITH

HOTSAUCE™ POS & PAY $0 TO PROCESS

Take **control** of your **business** with HotSauce™ Powerful. Simple. Affordable.

HotSauce™ delivers both on functionality and support to keep your restaurant running smoothly. Manage your business remotely, schedule employees, edit your menu, and process payments, all in one system! HotSauce™ can easily be integrated with PCBancard's Dual Pricing Program, allowing you to eliminate credit card processing fees and put money back into your business.

- Save money with FREE on-site installation, programming, and menu build.
- Enjoy paying $0 processing fees on PCBancard's DUAL PRICING Program
- Add on Mounted Kitchen Display
- Rely on 24/7 customer service & support from PCBancard and your local representative
- Give back to a local charity through your business' processing

> " I have been in the restaurant industry for over 30 years and have worked with many POS Systems. Hot Sauce covers all the bases. My staff loves it. And with the Dual Pricing Program, I save thousands of dollars each month. "
