WHAT WE DO:

Black Tie Funding provides business owners access to alternative funding options. Whether a business needs a quick injection of cash, a line of credit, or a long-term option, we can help.

HOW TO REFER A CLIENT:

To underwrite a file, we need a signed application and three months of bank statements. We have two options to submit applications.

Option 1: Sign up as an affiliate via our affiliate page. This will generate your personal referral link. Your client can complete the application and upload the bank statements directly from your link.
www.blacktiefunding.com/affiliate-area/

Option 2: Request a custom-built application with your logo. Have your client fill out the application and send you three months of bank statements. Email the application and bank statements to info@blacktiefunding.com

To Get your custom-made application, email your logo to info@blacktiefunding.com.

HOW TO GET PAID:

Black Tie Funding pays a referral fee for every deal funded. Over 70% of our clients will be funded at least twice, if not more. Referral fees are paid out at the end of the month. By building a book of clients with us, you'll have a steady stream of revenue.

WE LOOK FORWARD TO PARTNERING WITH YOU!
