Dual Pricing program built-in	
Processing Fees	
Software Fees	
Setup Fees	
Menu Build Fees	
Add't Charges may include Chargeback Fees, PCI Non Compliance and TIN Non-Compliance Fees, per incident	

### Agreement

#### Maintenance

The monthly fee includes ongoing technical support and assistance helping the client maintain and use the application. All processing, software fees, setup fees and menu builds are included in the \$100.00 monthly fee.

#### Conditions

PCBancard LLC maintains the right to suspend and disable the application upon non-payment of the monthly fee of \$100.00 and/or the failure to pay any chargeback, PCI Non Compliance or TIN Non Compliance Fees. The term of the application agreement is three (3) years, after which it will automatically renew for 1 year on a recurring basis. The client may cancel the agreement with formal written notice within 30 days of the end of the term. Cancellations during the term of the agreement will incur a one-time cancellation fee equal to the standard monthly fee times the number of months left on the current term.

The undersigned agrees to the terms of the agreement as outlined above. The client authorizes PCBancard LLC to debit the provided bank account for all applicable fees and if applicable, penalty fee deductions for early cancellation.
