Dejavoo PopUp Program Stipulations for PCBancard Accounts:

1. All terminals currently processing with PCBancard can be swapped out for a P1, P5, P3
2. Terminals that can be swapped out include Dejavoo Z's, QD's, Valor, Pax, Ingenico's etc

*If swapping out ANY Dejavoo terminals it must be for PCBancard existing merchants only. You cannot use this program to take a merchant from another ISO who already placed a Dejavoo terminal with that merchant.

Dejavoo PopUp Program Stipulations for non-PCBancard Accounts:

1. Non-PCBancard merchants processing with a non-Dejavoo terminal can use this program for a new account.
2. Non-PCBancard merchants processing with a Dejavoo terminal are not eligible for this program. You would switch them over like any other account and pay full price to replace that terminal.

Please note: We cannot use our stock for this program, terminals will be shipped from Dejavoov to us to be programmed, then to your merchant.

Process to use this program:

1. Complete the Purchase Agreement - PopUp Program (located in the [Partner Training Portal/Applications](#)
 - a. To initiate the POPUP Program, fill out the form with the current terminal type and serial number, and the requested Dejavoov terminal type and quantity (example below)
 - b. Submit the Pop-Up Purchase Agreement to OneHub, and call or email office@pcbancard.com for follow up questions.

2. Terminal will be shipped to our Office for deployment to download and ship (about a 2-3 day lag in shipping)
POPUP Cost to PCB
