

# TAKE CONTROL OF YOUR CASH FLOW

with an MX™ Merchant Passport Account

Introducing Passport, Priority's banking solution that helps businesses of all sizes accelerate cash flow, streamline transaction reconciliation, and optimize working capital.

## ACCESS FUNDS IN MINUTES

- Payments through the MX™ Gateway are funded to a pass-through FDIC-insured\* account within minutes of batch closure
- All MX™ Merchant users gain access to same day funding on settled batches
- Supercharge cashflow so you can pay employees faster and take advantage of early pay discounts from your suppliers
- Works for all card brands

## SECURE. TRANSPARENT. CONVENIENT. FINANCIAL TOOLSET.

- Funds stored in a secure, pass-through FDIC-insured\* account
- A transparent view into your business with modern, real-time reporting
- Added convenience with Priority issued debit and virtual cards to make purchases and eliminate financing fees
- Links to external bank accounts (*fees apply*)
- Supports ALL major payment types (*Virtual Card, Bank Transfer, ACH, Wire, Check*)

 **MERCHANT + PASSPORT**  
YOUR TICKET TO MODERN COMMERCE

\*Pass-through FDIC insurance is subject to FDIC rules
