PCI Compliance: Done For You

Why PCI Compliance Matters

Most processors treat PCI like a profit center. If you don't fill out their survey exactly right, they'll hit you with \$40, \$60, even \$200 a month in penalties. That's up to \$2,400 a year gone for nothing.

With PCBancard, PCI isn't your problem—it's ours. You sign one form, we handle it for you, and you stay compliant. No penalties, no wasted time, no hidden costs. It's included automatically when you process with us.

With PCBancard, PCI compliance is done for you. No confusing surveys, no \$200 penalties, no wasted time. Just sign once, and we keep you compliant year after year.

How PCBancard Handles PCI:

- <u>Done-for-You Service</u>: We don't dump PCI on you.
- <u>Authorization Form</u>: You sign once.
- We Complete It: Our team logs in, fills out the survey, and keeps you compliant year after year.
- Zero Hassle: No stress, no penalties, no wasted hours.
