

Get Free Payroll for 6 Months!

Spend more time on growing your business and let Priority Payroll & Benefits' intuitive platform make managing payroll easier than ever. Automate complex tasks, reduce manual entry, and ensure accurate and on-time payments without having to do the work yourself.

With Priority Payroll & Benefits, you'll get:

- ✓ W2 and 1099 payroll processing in all 50 states
- ✓ Automated tax filing at the federal, state and local levels
- ✓ Access to health, dental, vision, and life insurance options
- ✓ Run payroll as often as you need, for a fixed monthly price
- ✓ Automatically file payroll taxes and stay compliant
- ✓ Offer competitive benefits with help from our licensed advisors

Local Payments Expert and Trusted Business Advisor

"Priority Payroll & Benefits did a great job of helping us get payroll set up quickly. Our employees can easily onboard themselves, which takes a lot of work off of my plate. The testament of a good payroll system is when employees don't complain and get their paychecks on time. Priority has delivered that."
