

Funding based on business performance, **not just credit.**

Working Capital Loans:

Provide businesses with fast short term capital to support growth, manage cash flow, or cover day to day operating expenses.

Lines of Credit:

Be ready for anything. A flexible revolving line of credit with reusable capital and no maintenance fees.

Term Loans:

Built for strong borrowers. Access larger funding amounts, longer repayment terms, and lower rates.

Key Benefits:

Funding amounts from **\$5,000** to **\$5,000,000**

Terms from **3 to 48 months**

Daily, weekly, or monthly **payment options**

No hard credit pull to **get approved**

Funding as fast as **24 hours**

The process is simple and streamlined, requiring only a short application and recent business bank statements.

What's Needed to Apply:

- ✓ Simple one page application
- ✓ 3 months of business bank statements

Basic Qualifications Minimum:

- ✓ 550 credit score
- ✓ Minimum 6 months in business
- ✓ \$10,000 or more in monthly revenue

Why Use Working Capital Loans:

This solution is ideal for businesses that need fast capital without the long approval times or rigid requirements of traditional financing. Decisions are based on real business activity, making the process quicker and more flexible.
