EVERYTHING YOU NEED TO SUCCEED

WITH NUCLEAR POS, YOU HAVE THE POWER TO MANAGE YOUR BUSINESS ANY WAY YOU WANT

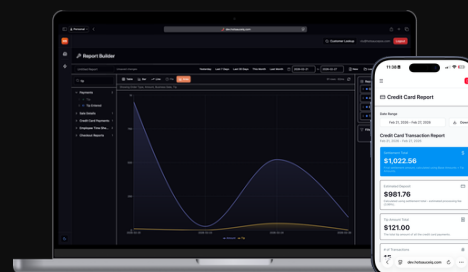

No matter what kind of restaurant you operate, we have a solution for you

FRONT OF HOUSE

- Accessible on any device — mobile, laptop, desktop or tablet
- Actionable insights from our reporting suite, including detailed sales trends
- Manage and track payroll and employee timesheets
- Track menu performance and monitor item-level stock counts

- Fast, modern interface
- Accept all payments: credit cards, tap-to-pay, gift cards, and custom payments
- Manage tables, floor plans, bar tabs, and express orders
- Print customizable receipts
- Compatible with multiple workflows—table service, bar tabs, and express orders—all in one system

BACK OFFICE

DATA ANALYTICS AND MARKETING

- Sales and performance insights across channels
- Menu performance and item-level trends
- Data that supports promotions and operational decisions
- Visibility into order patterns and peak times

UNLEASH THE POWER OF YOUR POS!
